

A CONSELL RECICLAM

RECOLLIDA SELECTIVA
PORTA A PORTA

The municipality of Consell has doorstep recycling collection scheme organized together with eight other municipalities: Alaró, Binissalem, Búger, Campanet, Mancor de la Vall, Lloseta, Santa Maria del Camí and Selva that are all part of the Mancomunitat des Raiguer.

It's been 11 years since Consell started with doorstep recycling, where each household in the urban area deposits at the doorstep the 5-different set of materials according to a weekly calendar (organic matter, light packaging, glass packaging, paper and cardboard and non-recyclable refuse). There are no containers for waste disposal on the street. There is a Parc Verd or household waste recycling centre where to dispose most of household waste. The households outside the urban area must use the Parc Verd.

This system contributed to a significant increase in the recycling rates and the resulting environmental benefits, thanks to the collaboration of everyone.

- ✓ Light packaging (“Envasos Lleugers”)
- ✓ Organic matter (“Orgànica”)
- ✓ Residual Waste (“Rebuig”)
- ✓ Nappies (“Bolquers”)
- ✓ Electrical and electronic devices without CFC (large household appliances, small electrical appliances, computer and telecommunications equipment, electrical appliances, lighting equipment)
- ✓ Electrical appliances with CFC (refrigerators, freezers, air conditioners, etc.)
- ✓ Bulky waste: furniture, mattress, mattress base and similar.
- ✓ Clothes and footwear
- ✓ Scrap iron
- ✓ Green waste from pruning and gardening
- ✓ Alkaline and button batteries
- ✓ Hazardous waste packaging
- ✓ Waste mineral oil
- ✓ Waste vegetable oil
- ✓ Fluorescent lamps, low consumption bulbs, low pressure sodium lamps, high intensity discharge lamps, including pressure sodium lamps and metallic halide lamps
- ✓ Car batteries
- ✓ Small quantities of construction and demolition waste from small-scale works
- ✓ Small quantities of reduced size of waste with asbestos

The municipality can modify the list of accepted waste in accordance with the regulations.
